TITLE SPONSOR OF THE EHF FINAL4

Foreword EHF President

Dear handball friends,

It is a great honour for me to welcome supporters, players, officials and partners to the quarter-finals of the Machineseeker EHF Champions League for the 2022/23 season. The EHF and EHF Marketing are delighted to have seen action on court worthy of Machineseeker's first season as the title sponsor of the competition, and thanks to the support of our partners we are sure that the EHF Champions League will remain the leading indoor sports competition in Europe.

The group phase was exhilarating, then the play-off round did not let us down! We witnessed two national derbies, beginning with the all-Hungarian clash between two great rivals; Telekom Veszprém and OTP Bank - PICK Szeged, in which Veszprém were victorious. GOG have advanced to the quarter-finals for the first time having edged out fellow Danes Aalborg Håndbold over two pulsating legs, while Orlen Wisła Płock will also be making their maiden appearance in the last eight having beaten HBC Nantes in a shoot-out! THW Kiel will be a more familiar face at this stage after their commanding first leg over C.S. Dinamo București. Congratulations to the four teams who progressed from the play-offs.

This means, naturally, that we are now only one round away from the flagship event of the club handball season, the TruckScout24 EHF FINAL4 2023 in Cologne. Anticipation may be growing for the LANXESS arena on 17/18 June, but first we have four quarter-finals, in which this season's top four teams will book their tickets to Cologne. The first legs will be played on 10 and 11 May, with the second legs on 17 and 18 May. The Machineseeker EHF Champions League continues with the format that we introduced before the start of the 2019/20 season; the top two clubs in each of the two groups of eight qualified directly for the two-legged quarter-finals. The four teams joining them were victorious in the two-legged play-off round which featured the teams who ranked third to sixth in their respective groups.

GOG's reward for beating Aalborg Håndbold is a meeting with Barça, who became the first team to defend the title in 2022, and are therefore seeking their third title in a row this season. Orlen Wisła Płock will face SC Magdeburg, meaning we are guaranteed a new name and a new set of fans entering the LANXESS arena. THW Kiel and Paris Saint-Germain Handball are regulars in Cologne, but only one will be making it there this time, while the other quarter-final sees a repeat of the 2016 final between Industria Kielce and Telekom Veszprém.

We have seven different nations represented in the quarter-finals, as the Machineseeker EHF Champions League once again shows the importance and strength of handball across the continent. I would like to personally wish the very best of luck to all eight teams and congratulate them for reaching this stage. Remaining the same for the quarter-finals is the 'appointment to view' system, meaning fans can enjoy seeing their favourite team's away legs played at 18:45 or 20:45 CEST on Wednesday and Thursday evenings in this round.

For the EHF and our broadcast partners, it is a pleasure to bring you the thrilling action from the Machineseeker EHF Champions League from the group phase until the TruckScout24 EHF FINAL4 2023 on 17/18 June 2023. We know that the clubs and players will provide everyone with an exceptional quarter-final contest. On behalf of the EHF and EHF Marketing, I hope that you enjoy another fantastic round of handball action!

Yours in sport,

Michael Wiederer
EHF President
